

LOWER STATE QUALIFIER 2018

The AAA Lower State track meet is scheduled for Saturday, May 5, at Battery Creek High School. The meet will start at 11:00 am, schedule below. The top 4 qualifiers in each event will go on to the State meet, which is scheduled for Friday, May 11, and Saturday, May 12, at Spring Valley High School.

Coaches and Region meet directors:

1. Please remind your athletes that we will follow all high school league rules and guidelines. We will have a USATF official on site to preemptively handle any potential rules concerns.
 - a. Athletes may wear jewelry but may not have any hair accessories that have hard parts. These include hair beads.
 - b. Athletes are also subject to disqualification if they have their shorts rolled.
 - c. Athletes must be in a school issued track uniform. T-shirts and football apparel are not considered track uniforms.
 - d. Any visible garment(s) worn by two or more **relay team members** underneath the uniform top and/or underneath the uniform bottom, extending below the knees, shall be unadorned and of the same single, solid color, but not necessarily the same length.
2. **Please make sure that you are here on time as the meet will begin promptly at 11:00 am.**
3. **Please do not permit your athletes to jump the fences.** One entrance to the track will be open for athletes to enter and exit. This entrance will be at the far end of the track near the concession area and the clerking tent.
4. All CLERKING will be done at the clerking tent near the 100m start line. Please make sure that your athletes clerk in when their event is first called. **If an athlete misses clerking in, they will be scratched from the event. All field events will clerk in at their locations.**
5. Athletes competing in multiple events between the field and track must report back to their events every 10 minutes to avoid a scratch. **We will not hold up an event to wait for athletes who do not return to check in at their field events.**
6. In shot put, discus, triple jump and long jump Each competitor shall be allowed three preliminary trials. **The six competitors credited with the best performances will be given three final trials.** The four competitors with the best performances will qualify for the State Meet.
7. **Only athletes who are on deck for or participating in events will be allowed on the infield.** All other athletes and fans must remain outside of the fence.
8. **Coaches will have designated areas to time their athletes. We would ask the coaches to please remain in those areas and refrain from approaching the timing tent.** Results will be posted near the concession area for coaches and athletes to review.

Coaches will be required to volunteer at field events, as zone judges and on the jury of appeals. Here are your respective areas of assistance:
